WELCOME TO ARION RESIDENCE,

a contemporary retreat inspired by ancient Greek legend.

Nestled in the **vibrant heart of Aglantzia**, this modern three-story building features **twelve thoughtfully designed one-bedroom apartments**. Named after the mythical horse Arion, the chosen victorious horse of Greek mythical heroes, this residence stands as a symbol of strength, resilience, and elegant design. **Arion residence moves forward and steps into the future** with grace and confidence, standing tall, much like its namesake.

Whether you're starting a new chapter or seeking a smart investment, **Arion Residence invites you to live boldly, beautifully, and with purpose**, just like the legends who rode before you.

RIDE THE FUTURE.
LIVE AT ARION.

A Bold Architectural Statement, Built to Endure.

Arion Residence brings together thoughtful design and long-term quality. Its modern architecture features clean lines, soft contrasts, and vertical elements that give the building a distinctive, elegant profile. Inspired by the strength and endurance of the mythological horse it's named after, this residence is built to stand the test of time.

Spacious glass-fronted balconies extend each apartment outward, creating light-filled spaces that blend indoor comfort with outdoor living. Premium materials and smart construction choices ensure durability, energy efficiency, and low maintenance. With a bold yet timeless exterior, Arion Residence offers more than just a place to live; it offers a future-ready home in one of Aglantzia's most promising neighborhoods.

THE PRIVACY OF A HOME.

The ease of apartment living.

Arion Residence is designed for those who want the best of both worlds: the peace and privacy of a home, with the comfort and security of a small, modern apartment building. With just **twelve one-bedroom apartments**, spread evenly across **three floors** (four apartments per floor), the building offers a quiet, relaxed atmosphere that's hard to find in larger complexes.

You'll enjoy your own private space without feeling isolated. The layout encourages a sense of familiarity, small enough to know your neighbors, big enough to keep your independence. For those who are just starting out, downsizing, or investing, Arion Residence offers the calm of a residential home with the added benefits of a well-designed, professionally managed building.

Twelve apartments.
ONE COMMUNITY.

A modern living room interior featuring extensive vertical wood paneling on the walls. A large, dark, wall-mounted television is on the left. Below it is a long, low wooden console with a small green bowl and a vase of white flowers. In the foreground, a light-colored sofa is partially visible, with a striped throw blanket draped over it. To the right, a dark coffee table holds two cylindrical vases. The ceiling has recessed lighting.

INTERIOR DESIGN THAT CAPTIVATES.

Welcoming vibes, smartly delivered.

Step inside Arion Residence and discover interiors that are designed for real life; stylish, functional, and refreshingly uncluttered. Each one-bedroom apartment welcomes you with a bright, open-plan living area that flows into a modern kitchen and out onto your own private balcony. At Arion, every space is made to adapt to your lifestyle.

The bedroom is a smartly designed personal retreat, complete with built-in storage and a peaceful ambiance. Natural finishes and clean lines run throughout the apartment, including in the bathroom, where contemporary fittings meet easy-care surfaces.

Every single apartment at Arion is made for people who value quality without the need to show off. No flashy extras, just solid design, timeless choices, and features that truly matter. Arion Residence doesn't follow trends; it sets the trend for modern living in one of Nicosia's most promising neighborhoods.
